Enjoy the benefits

Aetna Dental® PPO network

joinaetnadentalnetwork.com
All the benefits you deserve — and more

We invite you to join the Aetna Dental preferred provider organization (PPO)* network, one of the largest dental PPO networks, with millions of members nationwide. From our competitive fee schedule to prompt payments and benefits to enhance your practice, there are so many ways to brighten your smile. Be part of a well-established network of dentists when you join today.

More ways to expand your practice

As a participant, your practice will automatically be listed in our handy provider search tool, as well as in other Aetna Dental PPO network directories. You can even add a link to your website in our provider search tool. It all adds up to more exposure to new patients for your practice.

We’re always here to help

Personalized, one-on-one service is what you’ll find when you’re part of our network. Have a question? Need help with a claim or form? Simply call our dedicated dentist hotline to speak with an experienced Aetna Dental agent. We’re here when you need us and always looking for ways to improve.

Submit claims your way

Online or by paper? You choose what works best. Submit claims at aetnadental.com or use the standard Aetna® or American Dental Association approved dental claims form. Just another way we’re working to make the claims process simple and easy for you.

Payments made your way

No one likes waiting to get paid on their claim. That’s why the Aetna Dental PPO network turns your payments around the moment your claim is processed. To date, close to 98 percent of our dental claims were processed within 15 days. Plus, our track record for financially accurate claims paid is over 99 percent. That means less time chasing down payments. And more time focusing on patients.

Get paid even faster when you enroll for electronic funds transfer (EFT). With EFT, your payment is deposited directly into the account of your choice. It’s really that simple. Get our EFT enrollment form at joinaetnadentalnetwork.com.

All the tools you need

Check claims status, access Explanation of Benefits (EOB) statements, get real-time eligibility and benefits data, and more — anytime, anywhere. With our tools, you can access the up-to-date information you need 24/7 at aetnadental.com or by calling our self-service Aetna Voice Advantage® system at 1-800-451-7715 (TTY: 711).

Exclusive discounts on products and services

Save thousands of dollars on everyday products and services. As part of our dental PPO network, you have access to our Value Plus®** program** for discounts on dental supplies, laboratory services and more. Even better, participating in the Value Plus program comes at no cost to you.

Healthy outcomes start with oral health

Research shows that oral health is connected to overall health, with almost 90 percent of systemic diseases originating in the mouth. That makes you key in helping to prevent, detect and treat potential conditions.

We’re doing our part, too. Using integrated medical and dental data, we identify disease patterns and share our findings with members and doctors. While also educating and reminding members about the importance of regular dental care for their overall health. Together, we can achieve healthier outcomes one checkup at a time.

What is the fee schedule of maximum allowable charges?

By joining, you accept our schedule of maximum allowable charges as payment in full when treating members. The fee schedule lists the total amount you will receive, which includes payments from us and applicable member payments.

Can I bill the patient?

Coinsurance and/or deductibles can be billed to patients and should be discussed before starting treatment.

Payment has its benefits

- Competitive fee-for-service arrangement
- Listing in provider search tool
- Dedicated dentist hotline
- Electronic claims submissions
- Direct deposit and prompt payments
- Real-time eligibility data
- Discounts with Value Plus program, and more

Apply at joinaetnadentalnetwork.com.
